Song Inspiration

Don't Give Up is inspired by conversations I have had with people and myself who from time to time get so down and out that they want to give up on their goals, relationships and in some people's case, life, which results in suicide.

**So many times
I thought I could not fight
But I held my head up high
No mountain is so high
I'm not willing to climb
As long as you're by my side**
